

WETLANDS 2006 PRINT Available for Purchase

The Wetland 2006 artwork was commissioned for the conference by Traverse City, Michigan Artist Glenn Wolff. A limited edition of 500 signed and numbered "Wetlands 2006" Giclee prints are available for purchase. They can be preordered by printing out a merchandise order form ([below](#)) and submitting it with payment. Prints can be picked up at the conference or mailed to nonconference attendees for an additional shipping and handling charge. For those who don't pre-order there will be prints available for purchase at the conference.

It was ASWM Chair Peg Bostwick from Michigan Department of Environmental Quality who came up with the idea of having special artwork done for this year's conference. It was a wonderful idea. It was a pleasure to work with artist Glenn Wolff who incorporated many of our ideas about the unique flora and fauna of Great Lakes wetland landscapes into one piece of art. Every time I go to the Wetlands 2006 website I am impressed by the quality of Glenn's work. Presently I have the 'artist's proof' in my office and over the last couple months as it catches my eye, I seem to be rediscovering again and again how much I like this print. The colors and images are wonderful. I think anyone who decides to purchase a print will enjoy it as much as I am enjoying mine.
