New WOTUS Rule Released

On January 23, 2020, the U.S. Environmental Protection Agency (EPA) and Department of the Army released the pre-publication version of the Navigable Waters Protection Act: Waters of the United States Definition, replacing the 2015 Clean Water Rule. The new rule will become effective 60 days after publication in the Federal Register. The pre-publication version can be found [here](#). A public webcast discussing the final rule was held on February 13, 2020 and the recording is now available on EPA's website [here](#). The Association of Clean Water Administrators (ACWA) released a [summary of the new rule here](#). ASWM has also developed an initial summary document that can be found [here](#).
