Audio

After joining the webinar, open the Audio panel on the right hand side of your screen.

VoIP Users

Select **Mic & Speakers**. You must have speakers and a microphone to communicate.
Audio

Telephone Users

Select **Telephone** in the Audio pane. You will see the call-in number, an access code and audio PIN that will allow us to unmute your line if you wish to ask a question during the webinar.

When using the **telephone**, please mute both the speakers and microphone on your computer, as they may cause an echo.

We've been holding alternating conference calls and webinars for a couple years and the NFFA steering committee thought it would be a good time to check in with participants to find out if we are meeting your needs and what we could do to improve. We developed a short (10 items) survey that we hope you will fill out.
